1. Entrance/The Gift Shop/First Aid Point
2. Conan Doyle Museum/Mini-Theatre
3. Drunken Garden
   A favourite of Sir Arthur Conan Doyle the garden is described in his 1915 book *The Valley of Fear*. Amongst the yew and conifer topiary you will have the sense of organic shapes appearing within the movement of the mist. Soft perennial flowers and grasses are all around the clock fountain centrepiece.
4. Oriental Garden
   A beautiful collection of unusual oriental and oriental-inspired plants beautifully shaded by magnificent acers - look out for the Dead Mans Fingers!
5. Draughtsman Lawn
   Features the white mulberry tree planted in 1993 to mark Groombridge’s connection with the smuggling trade.
6. Knot Garden
   Boasts a wonderful display of tulips during the spring, in the summer the bright and beautiful colourful plants are a sight to behold.
7. Giant Chessboard
   The giant chessboard will entertain visitors of all ages in the shade of an ancient yew planted in 1415 by Sir Richard Waller after his return from the Battle of Agincourt.
8. White Rose Garden
   The garden boasts over 20 species of roses underplanted with white and silver plants. Beautifully fragrant perennials are a treat for the senses.
9. Secret Garden
   Find the secret door by the edge of the moat that leads to this hidden garden. The garden is beautifully shaded and peaceful where the stream babbles down into the moat. A delicate pink cherry tree covers the ground with its confetti during the spring months.
